

January 2, 2007

**Subject: Restriction of Hazardous Substances (RoHS Directive
2002/95/EC)**

Dear Valued Customer,

Hope this finds you well. Securitron is aware of the recent changes in regulatory compliance due to RoHS (Europe-Japan) as well as California (SB 20/50) and Maine.

We are proud to announce that all products manufactured by Securitron after January 2, 2007 are RoHS Compliant.

I will be the point of contact for Securitron on any compliance issues. If you have any questions or comments, please give me a call or email.

Best Regards,

Erik Strauss
Compliance and QMS Coordinator
